

GLOBAL MISSIONS MANDATE AT A GLANCE (GMM)

INTRODUCING THE GLOBAL MISSIONS MANDATE (GMM) -

PARTNERING TO HELP THE CHURCH TO KNOW AND FULFILL HER GOD GIVEN MANDATE

A. PREAMBLE

Global Missions Mandate (GMM) is a Christian, Missional, Non-Profit, Faith-Based and Non-Governmental Organization (NGO) which is Interdenominational, Non-Denominational and International. It primarily focuses on missions towards the salvation of the global non-Christians and non-Muslims.

Globally there are about 7.8 Billion people on earth today broken down as follows:

2.4 Billion people are Christians

1.9 Billion people are Muslims and

3.5 Billion people are neither Christians nor Muslims.

This block of 3.5 Billion people who are neither Christians nor Muslims are known in GMM as the global non-Christians and non-Muslims. These global non-Christians and non-Muslims constitute the demography that has the LEAST support and gospel engagements from the Evangelicals globally.

GMM exists primarily for the salvation of these global non-Christians and non-Muslims.

B. VISION OF GMM

To have a world, where all its inhabitants are in God's kingdom through Jesus Christ, and living under God's authority and power, bringing glory to God daily, through their transformed lives.

C. MISSION OF GMM

To mobilize the Church unto continuous devotion to prayer and gospel engagements of

the global non-Christians and non-Muslims through evangelism and discipleship.

Therefore, GMM primarily exists to mobilize the Church to continuously pray for the global non-Christians and non-Muslims and to engage them with the gospel through evangelism and discipleship.

* It mobilizes the Church through orientation, training and capacity building to fulfill her God given mandate and effectively reach the global non-Christians and non-Muslims.

* It mobilizes the Church to raise and send Missionaries to evangelize the global non-Christians and non-Muslims.

* It mobilizes the Church to raise spiritual, material, financial and other supports towards the evangelization of the global non-Christians and non-Muslims.

* It mobilizes the Church to engage in missional visits to the global non-Christians and non-Muslims.

* It mobilizes the Church to disciple the global non-Christians and non-Muslims.
